IN THE SPECIFICATION - CONTNUED

Please add the following paragraph after line 20 on page 4 of the Detailed Description of the

Invention:

As depicted in Figures 5A and 5B, the pouches 10 are preferably gripped in an orientation in which the main extension plane 100 containing the lateral edges or longitudinal sides 13 and 15 of the pouches 10 is inclined to the vertical by an angle 102 of less than 60°. The main extension plane 100 is preferably arranged in a substantially vertical manner. Appropriately, the lateral edge or longitudinal side 15 on which each pouch stands is horizontally oriented.
